### 5 Little Birds

Come sing with us!

1 little bird, bird of a feather  
1 little bird singing cheerfully  
In flies a friend and they sing together  
And 2 little birds sing in harmony

2 little birds, birds of a feather  
2 little birds singing cheerfully  
In flies a friend and they sing together  
And 3 little birds sing in harmony

3 little birds, birds of a feather  
3 little birds singing cheerfully  
In flies a friend and they sing together  
And 4 little birds sing in harmony

4 little birds, birds of a feather  
4 little birds singing cheerfully  
In flies a friend and they sing together  
And 5 little birds sing in harmony  
5 little birds sing in harmony
