

Lyrics

Best Day Ever

Come sing with us!

Whoo-hoo!
It's the best day ever

You and I make the sun shine bright
When we get together
Whoo-hoo!
It's the best day ever
Keep it on track, don't look back
Never say never
Whoo-hoo!

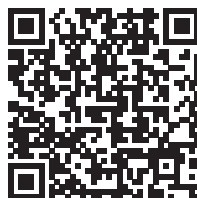

Looking for adventure, new twists and turns
along the road Mountains and valleys, open
your mind and do your best to let go

Whoo-hoo!
It's the best day ever
You and I make the sun shine bright
When we get together
Whoo-hoo!
It's the best day ever
Keep it on track, don't look back
Never say never
Whoo-hoo!

Livin' in the moment,
ridin' this feeling like a wave
Don't know where we're going,
follow our hearts and fly away...far away

Whoo-hoo!
It's the best day ever
You and I make the sun shine bright
When we get together
Whoo-hoo!
It's the best day ever
Keep it on track, don't look back
Never say never
Whoo-hoo!

Whoo-hoo!
It's the best day ever
Whoo-hoo!
Whoo-hoo!
It's the best day ever
