Celebrate Hanukkah

Come sing with us!

Oooooooooo
We're gonna celebrate,
we're celebrating Hanukkah

Open up the door, it's Bubbe and Zadie and
One's got the torah, the other's got the baby
Light the menorah, we're feeling alright
It's the first night (first ni-ight!)

Dad's in the kitchen frying up latkes
I like mine with applesauce coz
The living room's getting a little bit raucous
Everybody sing it

We're gonna celebrate Hanukkah
8 days of light
A candle every night
We're gonna celebrate, we're celebrating
Hanukkah Sameach
8 days of light
A candle every night
We're gonna celebrate,
we're celebrating Hanukkah

Matzo ball soup, scoopin' with a ladle
Break out the chocolate coins and a dreidel
Ness Gadol Haya Sham
It's a miracle (miracle!)

I love desert, everybody's in awe
Coz we've got the best sufganiyah
Some people call 'em Israeli donuts
I call them delicious

We're gonna celebrate Hanukkah
8 days of light
A candle every night
We're gonna celebrate, we're celebrating
Hanukkah Sameach
8 days of light
A candle every night
We're gonna celebrate,
we're celebrating Hanukkah

Oh-oh
We're gonna celebrate Hanukkah
8 days of light
A candle every night
We're gonna celebrate, we're celebrating
Hanukkah Sameach
8 days of light
A candle every night
We're gonna celebrate,
we're celebrating Hanukkah
