### Halloween Musical Chairs

Come sing with us!

We're the creatures of Halloween  
Enter if you dare  
When you hear the music stop  
It's time to find a chair

STOP! Sit down!  
If you don't find a chair, it's ok  
That little ghost can fly away

We're the creatures of Halloween  
Enter if you dare  
When you hear the music stop  
It's time to find a chair

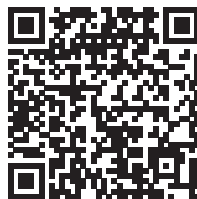

STOP! Sit down!  
If you don't find a chair, it's ok  
That little mummy can walk away

We're the creatures of Halloween  
Enter if you dare  
When you hear the music stop  
It's time to find a chair

STOP! Sit down!  
If you don't find a chair, it's ok  
That little witch can fly away

We're the creatures of Halloween  
Enter if you dare  
When you hear the music stop  
It's time to find a chair

STOP! Sit down!  
If you don't find a chair, it's ok  
That's the end of the game
