### Come On Do The Boogie

Come sing with us!

Come on do the boogie  
Oogie woogie woogie  
Shabadba-doodley doo  
Come on do the boogie  
Oogie woogie woogie  
I just wanna boogie with you

Boogie to the left  
Boogie to the right  
Clap your hands  
If you're feeling all right

Come on do the boogie  
Oogie woogie woogie  
Shabadba-doodley doo  
Come on do the boogie  
Oogie woogie woogie  
I just wanna boogie with you

Boogie to the left  
Boogie to the right  
Clap your hands  
If you're feeling all right

Come on do the boogie  
Oogie woogie woogie  
Shabadba-doodley doo  
Come on do the boogie  
Oogie woogie woogie  
I just wanna boogie with you

I just wanna boogie with you

Come on do the boogie  
Oogie woogie woogie  
Shabadba-doodley doo  
Come on do the boogie  
Oogie woogie woogie  
I just wanna boogie with you
