### Good Night Sleep Tight

Come sing with us!

Goodnight sleep tight  
Moonlight shines on everyone  
Goodnight sleep tight  
Now the day is done

Underneath the twinkling stars  
Little dreams can take you far  
Goodnight sleep tight  
Goodnight everyone

Goodnight sleep tight  
Moonlight shines on everyone  
Goodnight sleep tight  
Now the day is done

Underneath the twinkling stars  
Little dreams can take you far

Goodnight sleep tight  
Goodnight everyone
