### Hot Dog

Come sing with us!

Get your hot dogs while they're hot  
Stick 'em on a bun  
Take 'em on the run  
Ready to go  
Ready or not  
Get your hot dogs while they're hot  
Get your hot dogs while they're hot

I like ketchup, yes I do  
Sweet and Salty  
Tangy too  
I like ketchup, yes I do  
How about you?

Get your hot dogs while they're hot  
Stick 'em on a bun  
Take 'em on the run  
Ready to go  
Ready or not  
Get your hot dogs while they're hot  
Get your hot dogs while they're hot

Hey Measha

I like mustard, yesiree  
Makes a funny sound  
When the bottle is squeezed I like mustard,  
yes I do  
How about you?

Get your hot dogs while they're hot  
Stick 'em on a bun  
Take 'em on the run  
Ready to go  
Ready or not  
Get your hot dogs while they're hot  
Get your hot dogs while they're hot

Go Jazzy

I like relish  
On the top  
Pickles turned into a sauce  
I like relish, yes I do  
How about you?

Get your hot dogs while they're hot  
Stick 'em on a bun  
Take 'em on the run  
Ready to go  
Ready or not  
Get your hot dogs while they're hot  
Get your hot dogs while they're hot

I like potato chips so much  
Because That's what makes my hot dog crunch  
I like potato chips, I do  
How about you? (How about you?)

Get your hot dogs while they're hot  
Stick 'em on a bun  
Take 'em on the run  
Ready to go  
Ready or not  
Get your hot dogs while they're hot  
Get your hot dogs while they're hot  
Get your hot dogs while they're hot
