### Bath Time

Come sing with us!

It's time to take a bath, time to take a bath  
Bath time, bath time  
It's time to take a bath, time to take a bath  
Bath time, bath time

Scrub-a-dub-dub  
I'm a clean machine  
Scrub-a-dub-dub  
If you know what I mean  
Scrub-a-dub-dub  
Make a soapy beard  
Scrub-a-dub-dub  
Make my hair look weird  
Scrub-a-dub-dub  
It's a way of life  
Scrub-a-dub-dub  
Gonna make me shine  
Scrub-a-dub-dub in my favourite tub  
I love what I do, I do what I love

Time to take a bath, time to take a bath  
Bath time, bath time  
It's time to take a bath, time to take a bath  
Bath time, bath time

Scrub-a-dub-dub  
I'm a clean machine  
Scrub-a-dub-dub  
If you know what I mean  
Scrub-a-dub-dub  
Make a soapy beard  
Scrub-a-dub-dub  
Make my hair look weird  
Scrub-a-dub-dub  
It's a way of life  
Scrub-a-dub-dub  
Gonna make me shine  
Scrub-a-dub-dub in my favourite tub  
I love what I do, I do what I love

Time to take a bath, time to take a bath  
Bath time, bath time  
It's time to take a bath, time to take a bath  
Bath time, bath time

It's the last stop before bedtime  
It's bath time, bath time
