

Lyrics

Dancin' on a Feeling

Come sing with us!

C'mon
Dancin' on a feelin'

We got something special
We're different, that's essential
You're the sugar coating
And I'm the jelly filling
We're chillin' with each other
Sisters, brothers
Can I get a hallelujah
You're the beat that gets me movin'!

CHORUS:

Now we're dancin' on a feelin'
You and me together, nothing could be better
'Cause we're dancin' on a feelin'
We don't even need a good reason
Just dancin' on a feelin' (dancin', dancin')
Dancin' on a feelin' (dancin', dancin', dancin')

You're the summer breeze that keeps me feelin' fancy free
Fillin' up my sails like a boat upon the sea
You like staying grounded
I like climbing mountains
Sunshine on a rainy day, yo
That's just how we make a rainbow (double rainbow)

(repeat chorus x2)

Dancin' on a feelin' (dancin', dancin')
Dancin' on a feelin' (dancin', dancin', dancin')
