

Lyrics

Jeremy and Jazzy

Come sing with us!

I wanna get together and make believe
(oh-oh)
Go anywhere, do anything
I've got a feeling for a brand new song
(oh-oh)
Come on, everybody, sing along

Oh-oh-oh Jeremy and Jazzy
Oh-oh-oh Tunebug and Stu
Oh-oh-oh Jeremy and Jazzy
We make a story song with you
We make a story song with you

Heyyyyyy, Hoooooo, Heyyyyyyy

Together we make the music come alive
(oh-oh)
Four friends and a big high five!
Turn a rock into a rolling stone
(oh-oh)
Come on come on now roll back home

Oh-oh-oh Jeremy and Jazzy
Oh-oh-oh Tunebug and Stu
Oh-oh-oh Jeremy and Jazzy
We make a story song with you
We make a story song with you

Jeremy!
Jazzy!
How do you feel?
I'm feeling ecstatic, fantastic, for real!

Turn a feeling into song, a song into a story
In Creation Station, our music laboratory

Tunebug here is the band DJ
They got the beat and something to say

Stu, the studio rat, seems quiet
But his magical hip pack is full of surprises!

Oh-oh-oh Jeremy and Jazzy
Oh-oh-oh Tunebug and Stu
Oh-oh-oh Jeremy and Jazzy
We make a story song with you

Oh-oh-oh Jeremy and Jazzy
Oh-oh-oh Tunebug and Stu
Oh-oh-oh Jeremy and Jazzy
We make a story song with you

Yes we do-oo-ooo!
We make a story song with you
