### Jump for Joy

Come sing with us!

Wake up in the morning before light  
I could hardly get to sleep last night  
Open up my bedroom door and say  
Jump for joy, it's Christmas Day

Flying down the stairs on wings of glee  
Candy canes are hangin' on the tree  
All the gifts are wrapped and on display  
Jump for joy, it's Christmas Day

Jump for joy, shout hooray  
Jump for joy, it's Christmas Day  
Make some noise the yuletide way  
Jump for joy, it's Christmas Day

The whole entire town is snowy white  
Pack it up in balls, (HEY!) snowball fight  
Every kid I know comes out to play  
Jump for joy, it's Christmas Day

Skating on a pond that's turned to ice  
Tie my little sister's skates on tight  
Hope I score a goal in the hockey game  
Jump for joy, it's Christmas Day

Jump for joy, shout hooray  
Jump for joy, it's Christmas Day  
Make some noise the yuletide way  
Jump for joy, it's Christmas Day

Eat a giant feast with folks we love  
Let's go back outside in toques and gloves  
Sliding down the hill on a wooden sleigh  
Jump for joy, it's Christmas Day

Jump for joy, shout hooray  
Jump for joy, it's Christmas Day  
Make some noise the yuletide way  
Jump for joy, it's Christmas Day  
Jump for joy, it's Christmas Day
