Five Little Pumpkins

Come sing with us!

5 little pumpkins sitting on the stairs
One got bumped and had a scare
She rolled down the street and hid
in a store
And 5 little pumpkins turned into 4
Ooo-ooo-ooo-ooo

4 little pumpkins sitting on the stairs
One got bumped and had a scare
He rolled around the garden and
climbed up a tree
And 4 little pumpkins turned into 3
Ooo-ooo-ooo-ooo

3 little pumpkins sitting on the stairs
One got bumped and had a scare
They rolled into the porch and hid in
a shoe
And 3 little pumpkins turned into 2
Ooo-ooo-ooo-ooo

2 little pumpkins sitting on the stairs
One got bumped and had a scare
She rolled to the bakery and hid
behind a bun
And 2 little pumpkins turned into 1
Ooo-ooo-ooo-ooo

1 little pumpkin sitting on the stairs
He got bumped and had a scare
He grew some legs and
started to run
And 1 little pumpkin turned
into none
Ooo-ooo-ooo-ooo

No little pumpkins sitting
on the stairs
No little pumpkins to bump or scare
There's a knock on the door,
something's eerie on the street
And 5 little pumpkins say
Trick Or Treat!
Ooo-ooo-ooo-ooo
Ooo-ooo-ooo-ooo
Ooo-ooo-ooo-ooo
