

Lyrics

Let's Write a Song

Come sing with us!

Repeat after me (Repeat after me)
Let's write a song (Let's write a song)
You and me, friends (You and me, friends)
Everybody sing along (Everybody sing along)

Let's make a melody using some made-up words.

Be bop baloo bop (Be bop baloo bop)
Shoobity dee (Shoobity dee)
Na na na na na (Na na na na na)
A little louder, please! (A little louder, please!)

Repeat after me (Repeat after me)
Let's write a song (Let's write a song)
You and me, friends (You and me, friends)
Everybody sing along (Everybody sing along)

Now let's make a rhythm by clapping our hands.
Follow me!

Repeat after me (Repeat after me)
Let's write a song (Let's write a song)
You and me, friends (You and me, friends)
Everybody sing along (Everybody sing along)

Now let's all try to sing the saxophone solo!

Repeat after me (Repeat after me)
Let's write a song (Let's write a song)
You and me, friends (You and me, friends)
Everybody sing along (Everybody sing along)

You and me, friends (You and me, friends)
Everybody sing along (Everybody sing along)
