Pickles On My Sandwich

Come sing with us!

Pickles on my sandwich
Pickles on my sandwich
Pickles on my sandwich
That's what I like best

Hey, Jazzy,
what do you like best on your sandwich?
Hmmm, I like mozzarella...

Cheese on my sandwich
Cheese on my sandwich
Cheese on my sandwich
That's what I like best

A hoagie, a sub, a roti, a club
It might be big or small
Panini, a gyro, a pita, a taco
I don't care what it's called

Pickles on my sandwich
Pickles on my sandwich
Pickles on my sandwich
That's what I like best

Tomato on my sandwich
Tomato on my sandwich
Tomato on my sandwich
That's what I like best

Chocolate on my sandwich
Chocolate on my sandwich
Chocolate on my sandwich
That's what I like best

A hoagie, a sub, a roti, a club
It might be big or small
Panini, a gyro, a pita, a taco
I don't care what it's called

Pickles on my sandwich
Pickles on my sandwich
Pickles on my sandwich
That's what I like best
