The Rhyming Game

Come sing with us!

I got a rhyme for Yankee Doodle
I got a rhyme it's chicken noodle
I got a rhyme for Yankee Doodle
Do you have a rhyme for me?

I got a rhyme for Mother Hubbard
I got a rhyme it's kitchen cupboard
I got a rhyme for Mother Hubbard
Do you have a rhyme for me?

Take a word and figure out how it sounds
Shake it up, turn it inside out and upside down
Find another word that kinda ends the same
Put it in the next line (like this!)
That's the name of the rhyming game

I got a rhyme for banana
I got a rhyme, it's Montana
I got a rhyme for banana
Do you have a rhyme for me?

I got a rhyme for strawberry jelly
I got a rhyme it's get in my belly
I got a rhyme for strawberry jelly
Do you have a rhyme for me

Take a word and figure out how it sounds
Shake it up, turn it inside out and upside down
Find another word that kinda ends the same
Put it in the next line (like this!)
That's the name of the rhyming game

I got a rhyme for supercalifragilisticexpialidocious
I got a rhyme it's super-calloused fragile
mystic hexed by halitosis
I got a rhyme for supercalifragilisticexpialidocious
Do you have a rhyme for me?
Do you have a rhyme for me?
Oh, do you have a rhyme for me?
