### You Can Count On Me

Come sing with us!

You can count on me  
You can count on me  
When you're in a jam, I'll give you a hand  
You can count on me

Sometimes I feel strong  
Sometimes I feel weak  
Sometimes I need to talk  
When I can barely speak

Sometimes I feel good  
Sometimes I feel bad  
Sometimes I need someone to listen  
Even if I don't make sense...oh oh oh oh

You can count on me  
You can count on me  
When you're in a jam, I'll give you a hand  
You can count on me

Sometimes I feel tight  
Sometimes I feel loose  
Sometimes I just need to get up and move

Sometimes I feel brave  
Sometimes I feel scared  
Sometimes I feel a little bit better  
Just to know you're there...oh oh oh oh

You can count on me  
You can count on me  
When you're in a jam, I'll give you a hand  
You can count on me
