

Lyrics

Feel Like An Animal

Come sing with us!

If you feel like an animal
Let's pretend that's what you are
Wishes come true and the sky is blue and
I feel like an animal too-ooooooo
I'm an animal too-oooooo

The lion says roar roar roar
The cow says moo moo moo
The bear says growl growl growl
The rooster says cock a doodle doo

The parrot says squawk squawk squawk
The duck says quack quack quack
The wheels on the bus go round and round
The driver on the bus says move on back!

If you feel like an animal
Let's pretend that's what you are
Wishes come true and the sky is blue and
I feel like an animal too-ooooooo
I'm an animal too-oooooo

The Bizzy Bee says buzz buzz buzz
The kitten says meow meow meow
If you wonder why that's so
The scientist says let's figure it out!

The sheep says baa baa baa
The mouse says squeak squeak squeak
The guy with the guitar says do you want to sing?
And all of the kids say yessireee!

If you feel like an animal
Let's pretend that's what you are
Wishes come true and the sky is blue and
I feel like an animal too-ooooooo
I'm an animal too-oooooo
