Zoom Zoom Zoom

Come sing with us!

10, 9, 8, 7, 6, 5, 4, 3, 2, 1 BLAST OFF!

Zoom zoom zoom, we're going to the moon
Zoom zoom zoom, we're going very soon
If you want to take a trip,
Climb aboard my rocket ship
Zoom zoom zoom, we're going to the moon

There's no place like outer space
Let's have a super cosmic race
Floating all around the sun
There's space up here for everyone!

Zoom zoom zoom, we're going to the moon
Zoom zoom zoom, we're going very soon
If you want to take a trip,
Climb aboard my rocket ship
Zoom zoom zoom, we're going to the moon

Mercury, Venus, Earth and Mars
Jupiter, Saturn, watch for stars!
Uranus, Neptune and Pluto
Those are all the planets I know

Zoom zoom zoom, we're going to the moon
Zoom zoom zoom, we're going very soon
If you want to take a trip,
Climb aboard my rocket ship
Zoom zoom zoom, we're going to the moon

10, 9, 8, 7, 6, 5, 4, 3, 2, 1 BLAST OFF!

Zoom zoom zoom, we're going to the moon
