Road Trip

Come sing with us!

Whoa-oh-oh-oh

We're going on a road trip
Underneath the sun
Going on a road trip
Traveling just for fun
Playing our favourite song
Driving all day long
Going on a road trip
Just keep on keepin' on

Business in the front (whoa-oh-oh-oh) Party
in the back (whoa-oh-oh)
The only 4 rules of the road are:
Snacks and snacks and snacks (and snacks)
Turn that radio up (whoa-oh-oh-oh) Roll the
windows down (whoa-oh-oh) Play eye spy
with my little eye
Something that is brown

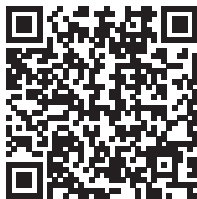

We're going on a road trip
Underneath the sun
Going on a road trip
Traveling just for fun
Playing our favourite song
Driving all day long
Going on a road trip
Just keep on keepin' on

Maybe we'll hit the beach
(whoa-oh-oh-oh)
Maybe we'll see a couple cows
(whoa-oh-oh)
Maybe this baby will take a nap
now Everybody settle down!
(shhhhhh!)
I hope we packed a tent
(whoa-oh-oh-oh)
To sleep under the stars
(whoa-oh-oh)
Play eye spy with my little eye
Something that is MARS!

We're going on a road trip
Underneath the sun
Going on a road trip
Traveling just for fun
Playing our favourite song
Driving all day long
Going on a road trip Just keep on...
Going on a road trip
Just keep on keepin' on

Whoa-oh-oh-oh

Whoa-oh-oh!
