The Ghost Will Disappear

Come sing with us!

There's a ghost that's coming near
Let's all make him disappear
G-H-O-S-T
G-H-O-S-T
G-H-O-S-T
The ghost will disappear

There's a ghost that's coming near
Let's all make him disappear
(Clap)-(Clap)-(Clap)-(Clap)-T
(Clap)-(Clap)-(Clap)-(Clap)-T
(Clap)-(Clap)-(Clap)-(Clap)-T
The ghost will disappear...BOO!

There's a ghost that's coming near
Let's all make him disappear
(Clap)-H-O-S-T
(Clap)-H-O-S-T
(Clap)-H-O-S-T
The ghost will disappear

There's a ghost that's coming near
Let's all make him disappear
(Clap)-(Clap)-(Clap)-(Clap)-T
(Clap)-(Clap)-(Clap)-(Clap)-T
(Clap)-(Clap)-(Clap)-(Clap)-T
The ghost will disappear

There's a ghost that's coming near
Let's all make him disappear
(Clap)-(Clap)-O-S-T
(Clap)-(Clap)-O-S-T
(Clap)-(Clap)-O-S-T
The ghost will disappear

There's a ghost that's coming near
Let's all make him disappear
(Clap)-(Clap)-(Clap)-S-T
(Clap)-(Clap)-(Clap)-S-T

The ghost will disappear

There's a ghost that's coming near
Let's all make him disappear
