

Lyrics

Brand New Year

Come sing with us!

Happy New Year, ringin' like a bell
Happy New Year, may you all be well!

Get together with our friends
It's time to begin again
Treasure all those you hold dear this
Brand new year

Letting go of the past with ease
Holding on to good memories
All together, let us cheer the
Brand new year

Happy New Year, ringin' like a bell
Happy New Year, may you all be well!

New adventure lies ahead
Joy and laughter will be spread
Fill our hearts with love and cheer, this
Brand new year

Happy New Year, ringin' like a bell
Happy New Year, may you all be well!

Get together with our friends
It's time to begin again
Treasure all those you hold dear this
Brand new year
Treasure all those you hold dear this
Brand new year
