

Lyrics

End Of The Rainbow

Come sing with us!

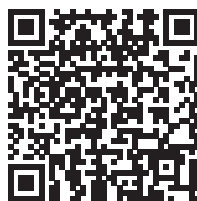

We can walk together
Under rainy skies
We can walk together in the sun
Walk with me forever
We'll do the walk of life
Our adventure has only just begun

Meet me at the end of the rainbow
We'll find all the treasure we can hold
Meet me at the end of the rainbow
Coz our friendship is a pot of gold

We can laugh together
Under stormy skies
We can laugh together in the sun
Laugh with me forever
We can laugh at life
Our adventure has only just begun

Meet me at the end of the rainbow
We'll find all the treasure we can hold
Meet me at the end of the rainbow
Coz our friendship is a pot of gold
Yes our friendship is a pot of gold
