### Paper Plane

Come sing with us!

Paper plane, let's go fly a  
Paper plane  
Paper plane, let's go fly a  
Paper plane

Imagine you could stretch your arms out  
And lift up off the ground  
Imagine you could touch the sky and  
Circle all around

Close your eyes, pretend to fly

Paper plane, let's go fly a  
Paper plane  
Paper plane, let's go fly a  
Paper plane

Imagine you could swoop around  
And dive into the clouds  
Imagine you could loop-de-loop  
Above a cheering crowd

Close your eyes, pretend to fly

Paper plane, let's go fly a  
Paper plane  
Paper plane, let's go fly a  
Paper plane

Paper plane, let's go fly a  
Paper plane  
Paper plane, let's go fly a  
Paper plane  
Paper plane, let's go fly a  
Paper plane  
Paper plane, let's go fly a  
Paper plane
