Pajama Dance

Come sing with us!

Do you know what day it is?
Pajama Day!
I got ants in my pajama pants
and I need to do the pajama dance!

Whooo!
Pajama dance, pajama dance
Move your feet and clap your hands
We got ants in our pajama pants
Everybody do the pajama dance

I'm wearing my jammies all day, bringin' my
stuff to school
A unicorn, monkey, a bear or a bunny, any
kind of stuffy is cool (it's cool)
Get up onto the dance floor and shake it like
you're never gonna stop
Get up onto the dance floor, now let that
beat drop

Pajama dance, pajama dance
Move your feet and clap your hands
We got ants in our pajama pants
Everybody do the pajama dance
Jammy jam-jam, jammy jam-jam
Jammy jam-jam, jammy jam-jam
Jammy jam-jam, jammy jam-jam
Everybody do the pajama dance

Wearing our jammies all day, that's just
how we roll (let's roll)
Polkadots, stripes, whatever feels right,
my jammy-jam's outta control (ohhh)
Get up onto the dance floor and shake it
like you're never gonna stop (don't stop)
Get up onto the dance floor, now let that
beat drop... (whoooo)

Pajama dance, pajama dance
Move your feet and clap your hands
We got ants in our pajama pants
Everybody do the pajama dance

Pajama dance, pajama dance
Move your feet and clap your hands
We got ants in our pajama pants
Everybody do the pajama dance

Jammy jam-jam, jammy jam-jam
Jammy jam-jam, jammy jam-jam
Everybody do the pajama dance

Jammy jam-jam, jammy jam-jam
Jammy jam-jam, jammy jam-jam
Everybody do the pajama dance
