### Wake Up Sleepyhead

Come sing with us!

Wake up sleepyhead  
Let's get out of bed  
Face the day ahead  
Wake up it's the morning

Wake up sleepyhead  
Let's get out of bed  
Face the day ahead  
Wake up it's the morning

Open up your big bright eyes  
Every day a new surprise  
Pick your clothes, put them on  
Check if they look right

Wash your face, comb your hair  
Hold the railing, walk downstairs  
Find a bowl, fill it up  
Don't forget your cup!

Wake up sleepyhead  
Let's get out of bed  
Face the day ahead  
Wake up it's the morning

Have a little bite to eat  
Healthy food, is such a treat  
Think about fun things to do  
Make plans to follow through

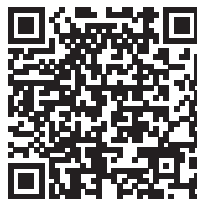

Brush your teeth, rinse your mouth  
Before you leave your cozy house  
What's the weather like, you say?  
It's beautiful today!

Wake up sleepyhead  
Let's get out of bed  
Face the day ahead  
Wake up it's the morning

Open up your big bright eyes  
Every day a new surprise  
Never know what you might find.  
It's time to go outside!

Wake up sleepyhead  
Let's get out of bed  
Face the day ahead  
Wake up it's the morning

Wake up sleepyhead  
Let's get out of bed  
Face the day ahead  
Wake up it's the morning  
Wake up it's the morning
