Wash Your Hands

Come sing with us!

Wash your hands (wah-wah-wah)
Wash your hands (wah-wah-wah)
Do a little dance (wah-wah-wah)
Wash your hands
Wah-wah wash your hands

Scrub, scrub, turn on the water
Scrub, scrub, a little bit hotter
Scrub, scrub, take some soap and
Scrub, scrub, rub it on both hands

Scrub, scrub, get between your fingers
Scrub, scrub, the fresh feeling fingers
Scrub, scrub, count to 20 seconds
Scrub, scrub, that's how you

Wash your hands (wah-wah-wah)
Wash your hands (wah-wah-wah)
Do a little dance (wah-wah-wah)
Wash your hands

Wah-wah wash your hands (wah-wah-wah)
Wash your hands (wah-wah-wah)
Do a little dance (wah-wah-wah)
Wash your hands
Wah-wah wash your hands

Scrub, scrub, germs be fearin' ya
Scrub, scrub, kill the bacteria
Scrub, scrub, take some soap and
Scrub, scrub, rub it on both hands

Scrub, scrub, it's no fairytale
Scrub, scrub, get under the fingernails
Scrub, scrub, count to 20 seconds
Scrub, scrub, that's how you

Wash your hands (wah-wah-wah)
Wash your hands (wah-wah-wah)
Do a little dance (wah-wah-wah)
Wash your hands

Wah-wah wash your hands (wah-wah-wah)
Wash your hands (wah-wah-wah)
Do a little dance (wah-wah-wah)
Wash your hands

Wah-wah wash your hands (wah-wah-wah)
Wash your hands (wah-wah-wah)
Do a little dance (wah-wah-wah)
Wash your hands
Wah-wah wash your hands
